The sample table above is a small selection of common procedures discounted by Dentegra. Other procedures discounted under Dentegra offer similar savings to the sample above. This list of fees is only to be used as a guide to determine approximate prices for dental services in a geographic area. The discounted fee schedule amount reflects the average fee information currently on file. Individual provider fee schedules may differ. Dentegra makes no guarantee of the accuracy of any particular fee amount. In order to determine the specific rates for a network provider, you should contact the Dentegra network provider directly.

<sup>1</sup>The “Standard Price” is determined using benchmark data from FAIR Health, Inc. FAIR Health data is used under license. Fees may reflect combined fees from several different procedures into one procedure and may not be directly comparable to a specific benchmark in FAIR Health Data. Actual fees charged by a network provider may vary for a variety of reasons.

<sup>2</sup>Savings will vary by provider and zip code. The discounts are available through Dentegra network providers only. You will receive the discount from the provider's usual and customary fees when you pay. Since there is no paperwork or Dentegra reimbursement, you pay for the service at the time it's provided. We encourage you to check with your Dentegra provider prior to beginning treatment.
