

Provider Directory Notice

IF YOU NEED HELP FINDING A DENTIST:

Online Provider Directories

The best ways to find a list of provider is by using the “Find a Dentist” tool on our website. The online provider directories gives you fast, convenient, most up-to-date information about providers for your plan. The most current list of all participating providers is available

at www.dentegra.com. You can search for providers by name, by plan type or by specialty, or near a specific address like home or work.

Provider Information fields available on the Find a Dentist tool:

- Provider Name
- Office Address or Zip code
- By plan type
- Accepting new patients status
- Languages spoken by the provider or office staff • Treatment hours
- Special office features

A printed copy can be obtained by calling Member Services at 1-877-280-4204.

FOR ADDITIONAL INFORMATION

If you have any questions about participating providers and facilities or your Dental coverage, please call Member Services at 1-877-280-4204.
